

# VICTIM WITNESS FUND

The Victim Witness Fund is used to record receipts from special court revenue and expenditures associated with the Victim Assistance program mandated by the State of South Carolina. The funds are used to support two staff members in the Police Department who provide support to victims of violent crime. A staff member is on call 24-hours a day. Victims are educated about the process of the criminal justice system and victims are referred to counseling if necessary.

## CHANGE IN FUND BALANCE

The projected decrease in fund balance from \$99,530 to \$75,977, or -23.7%, results because budgeted expenditures exceed budgeted revenues and excess fund balance will be used to make up the difference.
